Spectator Literary Staff

"One of our goals this year is to satisfy the wants and expectations of the Dallastown students and faculty. We would like the book to serve as a reference of the year 1983, for future use in school, as well as the community. We would also like the memories of the year to be kept alive through imaginative pictures and well-written articles. We wanted tradition to be brought back to Dallastown by the class of '83."

The Editors - Susan Anderson
Mark King

This year's yearbook staff is comprised of many talented and hard working students. Along with the help of Michael Baldwin, advisor, the staff puts out approximately 40 pages every three weeks. To make the job even more challenging, strict deadlines are set. These deadlines have to be met on time in order to release the book at the earliest time and at the least cost. This year there is a monetary budget of $10,000.00, which is regulated by Mr. Baldwin and the editors. This money is raised through yearbook sales and through the sales of spaces in the Spectator used for advertisements. This year's staff chose not to include a main theme in their book as to please a large majority of the students.

Val-
To a really nice girl who I'm glad to get to know better this year! Can you believe we're graduating this June? It's really hard to believe. Thank you for being so sweet and helping me about Steve and talking all that stuff. I was worried about clearing my mind. Whatever you are doing in the future I wish you the best of luck in it. Although I'm sure you don't need it because your personality will take you far! So keep smiling & reach for the stars!
Have ya-

Homecoming 1983

Teresa Gable is escorted by her father.

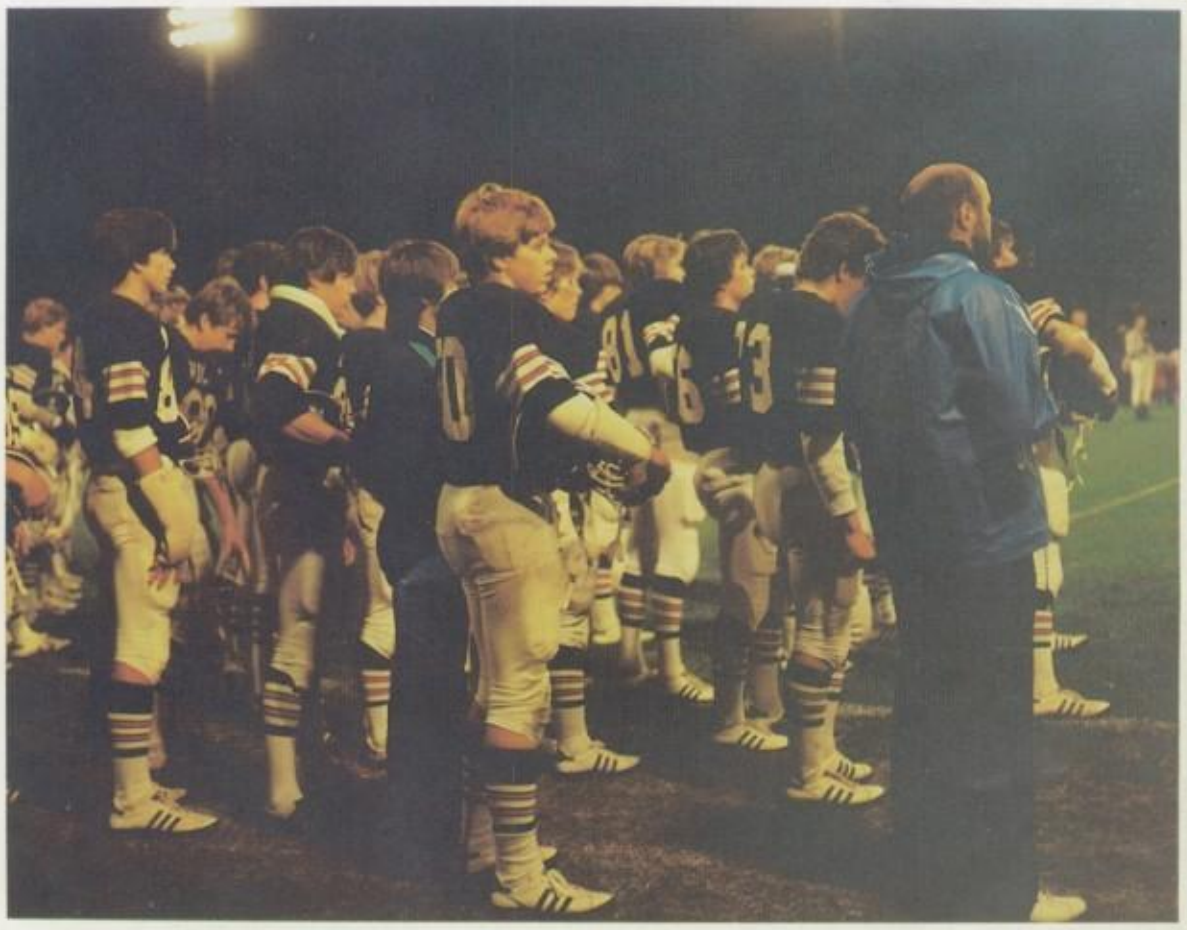
Homecoming '82 reached its climax on Saturday evening, October 16, as Teresa Gable was crowned Homecoming Queen. The theme for the dance was "Stairway to Heaven," and the hard rock band "Centaur" provided the music for the some 440 people in attendance. Teresa commented, "This was one of the best Homecomings I have ever seen. There was so much enthusiasm at the dance itself and in the weeks of preparation for Homecoming. I hope it was a most memorable experience for everyone who attended."

The juniors and seniors won the annual float competition and received $100 which was divided between the classes.

The Homecoming festivities began on Thursday night with the parade and bonfire-pep rally led by the cheerleaders and football players.

The football game was played on Friday evening beginning with the presentation of the Homecoming Court. The Wildcats reluctantly gave the victory to the York High Bearcats with a score of 19-35.

Making last minute plans for a cheer.



Pictured on opposite page are clockwise from the front of the car: Teresa Gable, Gretchen Denniston, Donna Deerin, Makiko Tazaki, Petra Hamberg, Carol Go, Irene Mallas, Fran Russo, and on the car, Marta DeRose.

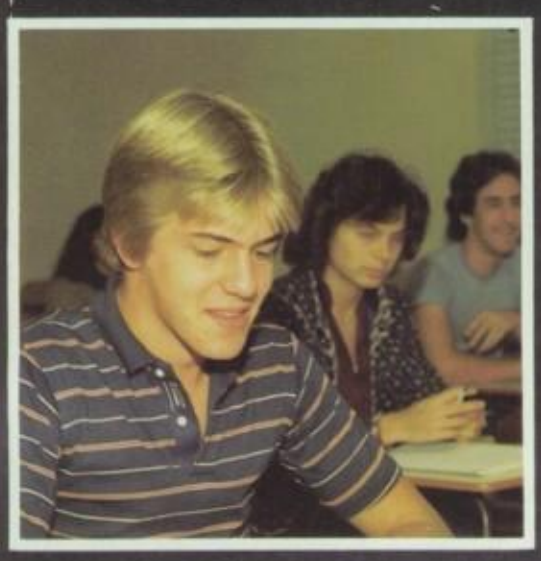
Senior Smiles



"The bandfront is a very important part of any band. Each part adds something different to the quality of the band's performance. The majorettes add sparkle, glamour and rhythm to the music. The flags add color as well as sharpness and the rifles add precision and military effect. The bandfront adds the entertainment to go with the music. The band and the bandfront work in harmony, each complimenting one another."

Song

"Only Time Will Tell"

You're leaving now, it's in your eyes, there's no disguising it, it really comes as no surprise to find that you planned it all along. I see it now, becomes so clear, your insincerity, we are starry eyed, you think that I would have known by now. Now sure as the sun will cross the sky, this lying's over, lost like the tears that used to tide me over. One thing is sure, that time will tell, I know you were wrong. Brightest light around the room, talk of when I die. Now sure as the sun will cross the sky, this lying is over, gone like the tears that used to tide me over. You're on your own, inside your room, you're claiming victory, weren't just using me, and there is no one you can use now.

"Good Times at D-town High — that is what the last couple of years here at Dallastown have been. The memories of these years will be ours forever, and these memories will let us keep our pride for Dallastown and for our class. But now the year has come to an end. We will go our separate ways, and some of us will not see our friends as much as we do now, maybe even never again. So I would just like to say thank you to the class of '83 and Dallastown for the good times."

We Remember

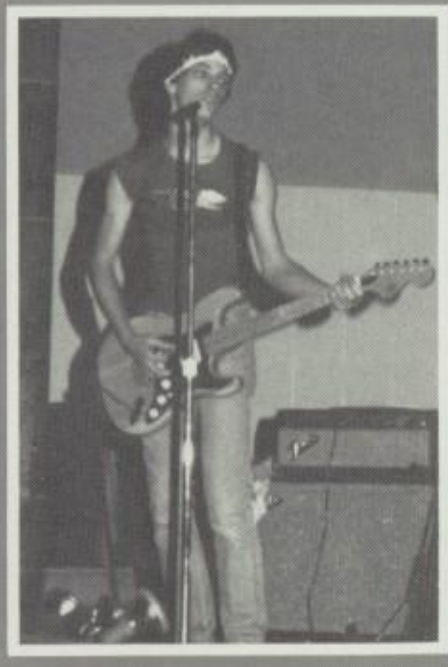
John Eric Petry

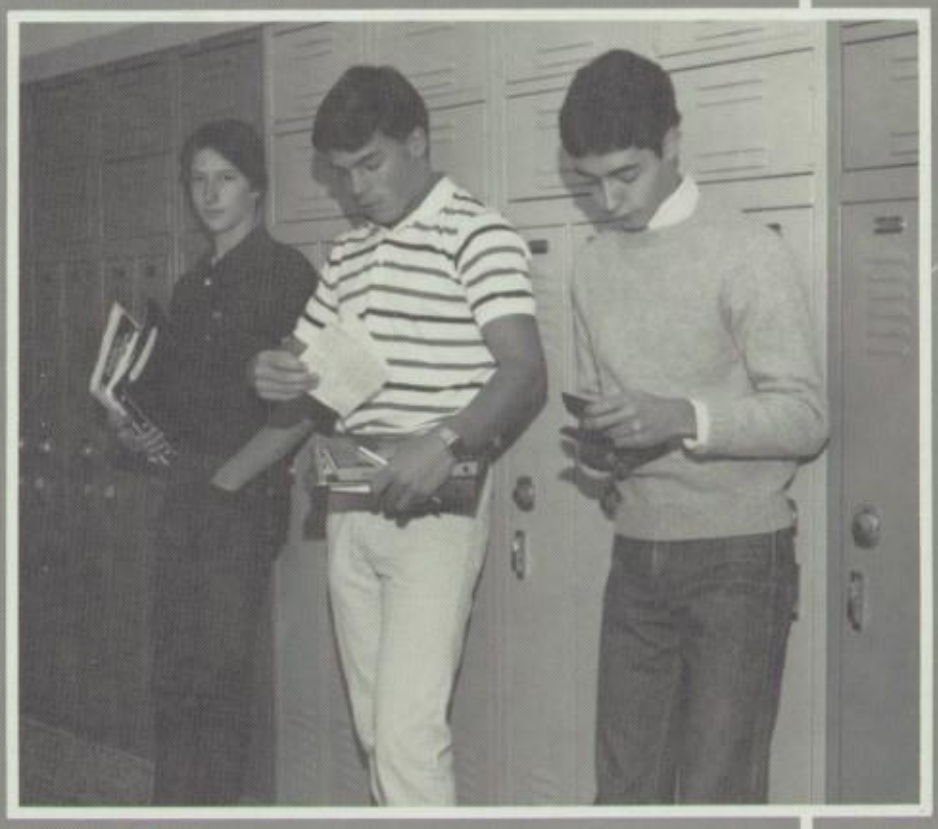
May 24, 1964 - October 5, 1976

I'll embrace the outstretched hands,
extending from the gray haired man.
His gentle smiles
and caring nod
leads me to the eternal land.

In his hands he holds the "key",
which he must soon present to me.
His gentle smile,
and caring nod
leads me to the eternal land.

If it "seems" that I've reached the end,
I have only found a gray haired friend,
With a gentle smile,
and a caring nod
I will lead you to the eternal land.





Dedication 1983

Val,

To a really sweet person I've got to meet at the expense of computer wizardry. I hope we may continue to be friends next year at the big "Y" (York College) and who knows, we may even be in some classes. Best of luck to you with everything you do. You deserve everything you can get!

Love,

The Wildcat Gridmen finished the 1982 Football season with a record of 3-7. This year's captains were *Bob Morrison, Greg Grove,* and *Tracy Smith.* According to Head Coach *John Pitzer,* the team was held back by unfortunate injuries, but pulled out with a strong finish. Coach Pitzer goes on to say that the team was better than the record shows. The team never stopped trying, and there were many excellent performances by individual players. The offensive line, as well as the entire team, improved as the season progressed. We ended the season with a smashing 35-14 victory over Red Lion.

Spotlight On Smith

Tracy Smith, a varsity runningback, has been one of the team's most valuable players. In the 1982 season alone, Tracy broke many football records. He made the most touchdowns in a single game (5), in a season (17), and in a career (28). He also broke records by rushing 317 yards in a single game, 1252 yards in a season, and 2175 yards in a career.

Smith won an All-State honorable mention for outstanding runningback, and was one of 2 All-County, first team runningbacks. He was also tied for the leading scorer in York County. He plans to attend college, which he hopes will be financed by football scholarships.

Tracy was very disappointed when Bob Morrison, his companion in football for 8 years, was badly injured in the beginning of the season and was unable to play. Tracy says he loves football because "It's a team effort. Everyone is pulling together, trying to accomplish the victory. It's exciting to watch and play." Although he is obviously talented, Tracy says that "The runningback is only as good as his offensive line." He feels that his performance was a reflection of the quality of the team.

Varsity Field Hockey finished its season with a 5 wins-4 ties-3 losses record, with upset victories over Susquehannock, Red Lion, and Dover. Coach Jeri Myers and co-captains *Kelly Myers* and *Bev Munchel* thought the team played well together. All three were disappointed that the tie-breaking rule was taken out, and Coach Myers commented, "I feel that those four tied games would have been wins if they had been played off."

"One of the Best Seasons in Years."

The most successful girls' tennis season in six years can be described as nothing short of stunning. This group had come up from two relatively uneventful seasons and in the beginning had only two experienced players returning. Then, long-overdue luck fell upon the team in the person of Petra Hamberg, an exchange student from the Netherlands. With Petra at the #1 spot, Deb Uricheck and Sue Anderson filling #2 and #3, and Birgitt Schaffler & Jolene Willman rising to the number 4 and 5 spots. The team was set for some serious competition. Compete is what the team did, because they ended the season with an impressive 7-3 record, which set them in forth place in league standings. At counties and districts Petra set two individual school records, and another with senior Sue Anderson.

Coach Klingler

"This year has been one of the most coachable teams that Dallastown has ever had. As a team we sent freshmen and sophomores to compete with seniors, and they were successful. The leadership and enthusiasm of the seniors permeated the whole team. I can only say that the year was great."

The Dallastown Golf Team completed another impressive season under the direction of coach Kehr. This year the team compiled a 9W-2L - and 1T winning record and finished second in the league. Dazzling performances by starters Jeff Weidener, Chick Russo, Steve Prindle, Chris Prindle, and lone senior golfer Scott Thompson, highlighted the season. Coach Kehr stated, "We found ourselves in a much better position at the end of the year than we had expected."

Starter Chick Russo gained further admiration by finishing 2nd at counties, 8th at districts, and 14th in state competition. Russo was one of only two York County golfers who qualified for state competition. With such excellent golfing, the Wildcat Golf Team has come to be recognized as a dominant force in the YCIAA and promises even more success in the future.

"We played much better than the scores indicate. We held out against some of more experienced teams in the league. There was a lot of potential on the team."
Dave Eigenrauch

For the soccer team's first year of play, Coach Jim McBride did an excellent job. Having an inexperienced team they still hung tough and never gave up. In the beginning of the season the offense was lacking, but the second half they improved greatly.

The season did result in two seniors making the All-County Team. Goaly Dave Eigenrauch was chosen for the first team and Donnie McCullough was on the reserve team.

13-12

This year's Varsity Basketball team had a season of up's and down's. After starting off the season by winning 5 out of their first 6 games the Wildcats finished with an overall record of 13-12. It was an injury riddled season for the varsity. At one time during the season, 4 of the 10 players were sidelined with injuries. This was Coach Gerber's first year of head coaching the varsity. He wishes to thank the team for their efforts and cooperation during the season. Coach Gerber added this about the team's Seniors, "I want to thank you for your many hours of practice to make the Wildcats a better team. It has been my privlege to be associated with such fine young gentlemen." This year's Seniors were Dave Strayer, Brian Greenplate, Scott Deardorff, Dan Shuler, and Patrick Tickle. The underclassmen of this year's team, all of which played a tremendous role in the team's season, were John Moore, Tim Gohn, Kris Deardorff, Brad Markey, and Duane Dise. Although the team's record was not great, this year's varsity team was just that, a "team". It should be a year fondly remembered in the years to come by the members of the 1982-83 Varsity Basketball team.

This year's Junior Varsity team had a fine season. After losing five of their first seven games, they came on to be a very strong team during league play. Coach Mike Pokopec, in his first year of coaching at Dallastown, gave an increase in team desire as a major factor in his team's turnaround. He said that his players gave everything they had, and that they never gave up during the season. Coach Pokopec said that he was most pleased with the team's steady improvement throughout the year. "The team began as a group of individuals, but as the guys became a team they began to become much more competitive.", said Coach Pokopec. The team's leading scorer was Corey Knaub, averaging sixteen points per game. Coach Pokopec expressed that this team was a team of role players, each man on the team had a way in which he could best help the team. This combination of talents came together to produce an excellent year for the 1982-83 J.V. Wildcats.

A Team Of Role Players

Junior High Basketball

Varsity

The 1982-83 Junior High Basketball team started off by winning seven of their first eight games. The team's first loss came to Central. Their second loss came to York High who eventually won the Junior High Championship. During the second half of the season the team was hampered with the loss of their center, Juan Clines, for several games. The Junior High had an excellent overall with a record of 11-7, this was the second best record the team had in the last five years. This Junior High team had good height and well-balanced guards. Coach Harmon believes that these players have the capability to become an even better team in the years to come.

This year the Wildcat wrestlers finished the season with a record of 13-1. Dover gave the Wildcats their only loss during a battle of the undefeateds. Dover claimed the first place spot and Dallastown assumed second for the first time in 3 years. Up until the match with Dover, Dallastown had compiled an unbelievable 72 consecutive wins! The team hadn't lost a match since they fell to Hanover in the 78-79 season. The team won their annual holiday tournament, which was held at State College, for the third year in a row and Mark Noll was named Oustanding Wrestler. The team also won the Lititz Lions Club Holiday Tournament for the second year in a row and Keith Folkenroth was named Outstanding Wrestler. The Wildcats have four wrestlers who are undefeated in league action. These wrestlers are Mark Sweitzer, Mark Noll, Keith Folkenroth, and Chris Myers (whose only blemish on his record is a tie). In addition to being undefeated in league action, Noll and Folkenroth are also undefeated overall.

The man behind the awesome Wildcat wrestling team is head coach Bill Bence. He has coached for 19 years and during this time he has had 15 championship teams. What an unbelievable record! He's admired by his wrestlers and fellow coaches. How could anyone not admire a man who has had as much success with a wrestling team as Coach Bence? He's helped make Dallastown a school which is highly respected for it's wrestling throughout the county and state.

The 1982-1983 Wildcat Swim Teams completed another impressive season. Once again, both teams dominated the majority of their opponents. The boys' team finished in second place, behind the traditionally strong York Suburban team, with a record of 10-2. The girls' also finished behind the Trojans, and sported a record of 9-3. Although both teams fell short of the league crown, each year they seem to improve. Perhaps in the near future, this aspect of Dallastown's talent will prevail-in the YCIAA.

District and state level competition was remarkable for the Wildcats. Chris Dahowski and Beth Roeder qualified for state competition as a result of their fine performances. States were held March 4, 5 at the Pennsylvania State University in the Nittany Lion pool in State College Pa.

LEAGUE RECORD (12W-2L) (9W-3L)

Beth Roeder was a medal winner in the State competition. Sophomore Chris Dahowski also went to State competition.

The 1983 Wildcat swimming and diving teams were very successful. The boys finished with a record of 10-2 and the girls had a record of 9-3.

Finishers in the top ten of District competition were Beth Roeder, Chris Dahowski, Donna Deerin, Bret Fisher, Dave Dietz, Scott Zacharda, Roberta Bommer, and the girl's freestyle relay.

Much of the team's success is due to the coaching of Jeri Myers, Andy Stewart, Art Franks, and Linda Strausbaugh.

The 1982 Boys' Track Team, even though sporting a 3-4 record, had some outstanding performances during the course of the year. Two school records were established. The first by senior Steve Fitz who ran the 1600M in 4:30.3. Then came junior Ty Barnett who established a new 300M Hurdle record of 38.9 seconds and reached the state finals for that event.

The 1982 Girls' Track Team had a five year loosing streak, but this year they came out ahead. During the course of the year there were 6 new school records set and two county champions crowned. These were Tina Kotek in the long jump, and Sue Godfrey in the high jump.

The outlook for track in Dallastown's future is good. With youth and experience on our side, the next few years at Dallastown should be very productive.

Boys' Baseball Teams

The 1982 Wildcat baseball team had a record of four wins and ten losses. The inability of our pitching staff to hold the opponent from scoring runs and our erratic play defensively was the reason for the ten losses. Offensively we were outstanding. We had a team batting average of .296. We were led offensively by senior Tom Sprow who hit three homeruns, drove in sixteen runs and had a batting average of .466. Tom was voted MVP by his fellow players.

TIME: The present. During the school year

PLACE: A residential neighborhood in one of (or any of) America's large cities

On March 17 and 19, the Class of '84 presented Andrew Leslie's adaptation of *The Pigman,* by Paul Zindel. This book has long been a major piece of teenage fiction, and so it was appropriate for the junior class to present this comic drama.

Under the direction of *Mr. Michael Baldwin,* the faculty coordination of *Mr. Owen Paden* and *Mrs. Lynne Shive,* and the student direction of *Tina Kotek* and *Darryl Hummel,* the play sported a talented cast. The action centered around two high school students, Lorraine and John, played by *Amy Ruth* and *Mike Henry,* who were looking for something besides school to occupy their time. In their random selection of crank phone calls, they met a retired widower, played by *Matt Wynn,* who happened to collect small statues of pigs.

The students' repeated contacts with him were at first prompted by their intention to get money from him for a fake charity, but they were eventually drawn into his life. The fast-moving action led into a growing sense of compassion and a "coming of age" for John and Lorraine, which was all reflected by the poignant ending.

"Being president of National Honor Society has really been a plus during my senior year. Tutoring other students gives me a sense of achievement when I see the results, and it also gives me a chance to get to know more underclassmen. I think it's great that Dallastown has an organization that focuses on academic achievement and scholastic involvement."

"Looking back on the activities held during the year, I've tried to determine the main factor which made each event a successful event. Besides having hard working officers who care about making Dallastown the best it can be, there is a larger group of people who contribute to the ultimate goal of council. That goal is involvement, and the people who made it happen are the students. This is the best group of students I've seen at Dallastown and as President of the Student Council, I'd like to thank you for a job well done."

-Donna Deerin
president

"Our Student Council has been developing many programs and projects which make the student government a very important facet of our total school. This brings added responsibility to the members of council and provides them with a wide variety of experiences from which to learn. The challenge for Dallastown's student leaders is to reach out to involve the uninvolved and thereby make our school a better place for everyone."

-George W.W. Jones, Jr.
principal

Faculty Advisors (left to right) J. Filizzi, R. Sabey

The Challenge

"This year the student council is involving as many people as possible in its activities. The student body has proved to be very willing to participate and I am sure they will make this year one of the best Dallastown has experience in a long time."

-John Wilke
treasurer

"I believe this year's council is much more enthusiastic; this is due to the determination of the officers to produce a better council. Hopefully, next year's council will be just as ambitious."

-Sue Anderson
secretary

"With the outstanding members we have this year, council has really surpassed its goals of school pride and new activities. I have always felt that student council should be an important organization in the school, and with this year's representatives, we have made student council even more of an asset to the school and community."

"Making the *Beacon* an extra-curricular activity this year created a lot of problems for the advisor, Miss Pacholak, and the students on the staff, but because everyone worked hard, this year's *Beacon* was a success. Many new things were attempted this year including a six-page anniversary issue, Valentine's Day messages, and a special section in the paper for student writing called Creative Expressions. The Varsity cheerleaders own the coveted National Cheerleaders Association "Award of Excellence" for their friendliness, unity, precision, cooperation, and sportsmanship.

The week before school started, the cheerleaders attended a crash workshop. Painting windows, decorating the lobby, and serving refreshments to the football players, were some of their many activities. The cheerleaders participated in several parades and organized the Homecoming bonfire.

Blue Silk And Satin

The "Blue Silk and Satin," Dallastown Area High School's stageband, has enjoyed many years of public and private performances along the eastern seaboard of the United States. Its reputation has been built on a professional musical quality and an excellent cooperation with the organization for which it is performing.

Under the superb direction of *Ronald Hill,* the jazz band teaches students the Big Band swing sound of the 30's and 40's. Also, the modern jazz sounds of *Maynard Ferguson, Check Mangione,* and *Stan Kenton* are discovered. Student opinions of *Mr. Hill* include statements such as "demanding, perfectionist, talented and involved."

The art of improvisation, which is the very heart of jazz, develops within many of the performers. The stageband looks forward to many more years of sharing their art with eager audiences, as they did so beautifully this year.

Drum Majors

"Being a drum major is a lot of fun, but it is also a lot of work. The many tedious and long hours of work paid off on the football field. We worked as a team and we survived as a team. Through the season we displayed our own unique style and we set a precedent never before seen at Dallastown. It has been an enjoyable and rewarding season and we're looking forward to upcoming events. We would like to thank everyone, especially the seniors, for their support and cooperation. "When I began high school, I had no idea what I wanted to do when I graduated. I had always enjoyed music, but I had never thought about it as a career.

Gradually I found myself getting more and more involved in music. Finally I realized that I wanted to major in it.

Band proved to play the most important role in my choosing what I wanted to do the rest of my life, and I'll never forget that."

"Being in Concert Choir for four years had been a most rewarding experience. The many concerts, trips to Bloomsburg, and opportunities for district, regional and state conferences have also been rewarding. I would defintely recommend this elective for anyone who enjoys music."

- Mark R. Falkenstine

Besides the annual Pops, Christmas and Spring concerts, the Concert Choir hosted the 1983 District Chorus Festival. 217 students from 69 different schools in Distrct 7 were hosted by Dallastown. Mr. Edward Polochick from the Peabody Conservatory of Music in Maryland conducted the festival.

1983 Senior Play

M*A*S*H*

M*A*S*H, the 1983 senior class play, became a stupendous, unpresidented theatrical event. Under the direction of Miss B.A. Reichard, members from the class put together a record - setting display, grossing more class income than any previous senior play on record. One cast member stated, "The entire case cooperated and coordinated extremely well, and we had a terrific time."

Varsity Club

The Varsity Club represents athletes and managers in our school. The club members take on different projects throughout the year, such as the can drive to help the needy. In past years they have made the plaques you see hanging in the gymnasium, and this year the club is working on a new trophy case for the back lobby.

Clubs Contribute To School

Library Club

Each school year students volunteer their free time to serve as library aides. They perform all the tasks common to libraries-attending the circulation desk, covering books, filing pamphlets and magazines, and assisting their fellow students. In this process, they become very efficient library users as well as able volunteers in their service to the school.

Mr. and Mrs. Dennis Willman

Val,

We just got done taking our Spanish III final. What a load off of my feet. The class wasn't that fun, but I liked looking down all your sexy, punky, funky shirts. You're a pretty cool dresser. Never forget all those fun times during the summer when I was going with Lisa. And what about when I first got here. 8-24 days were the best. I didn't used to like pledging to the flag but since I could grab your little hinney, It was more enjoyable. Have a super summer and don't chase the guys too much. Take care of yourself and I wish you all the best. By the way, how do you like the look. It was a lot of fun to make. Try to keep in touch. Love,

Val,

Well we've finally made it. When you think of me, remember I sat next to you in adv. comp – one class we could have done w/out. Have a great summer and wonderful future. Good luck in all you set out to do.

Keep in touch – If you still work at Burger King I'm sure Brian will tell me all about you over the Summer.

Love,
Shanna

Val,

Don't forget all the fun times we had in Computer Programming. That class was the worst. Then we had Mr. Stern for psych. Don't forget all those neat little stories that he told us. Good luck in the future in whatever you do.

Val,

¡Hola! Well, that's enough Spanish for the rest of my life! This year's Spanish class was nothing short of great. In only a short time we'll have graduated and everyone will be off on their own paths. I hope we'll still see each other because you're a really nice person. I'll come down and see you sun-bathing in your tiny-little bikini. Maybe we could get into some wild, kinky sex-games! (e.g. Jello!) You're an "A #1" super-person that's got everything going in her favor. Good luck in the future. Cherish the memories we've shared! Behave yourself this summer! (HA! HA!)

Love Always,
Bob (Tigre)

Val,

YOUR FRIEND,

Val,

Hi! Well, I guess this is it. I'm really glad we got to be friends this year. You're a great girl and I'm sure you'll do well in college. Thanks for all the help with Spanish. I never would've passed without you. Good luck with cheerleading and the rest of your life. Never forget me. Thanks for getting me to try out for cheerleading. It was a lot of fun. I'm

Val,

I really can't believe you're graduating already! I can still remember when I first moved there and becoming friends with you way back when. We've had so many great times together I don't think there's enough room to write 'em all down. I'm so glad I've had ya for a friend all these years. I know although sometimes there were some rough spots, but it seems like you're always there when the going gets rough. Thanks for your help with some certain people (if ya know who I mean- ha!) I don't think I'd have made it without my friends helping me out! God I know I've babbled on and on and on about Steve to ya plenty of times- and I'm glad you were there to listen to my stuff. You know that I am always gonna be willing to listen to you if you have any problems and I'll help ya out in any way. I'm really lucky to have friends like you to stick by me. I hope this summer will be really good for you! Ya know, I think we should devote this summer to kissing Wonderful Dover Good-Bye!! Ha! Ha! Hmm- I wonder what school could be next! I think this summer we're gonna have to do some man-hunting. Yeah!

Well, I think I could write a book if I keep on writing- (I'll just make it a short story) I hope that when we get old and wrinkley that we're still gonna be friends! How bout it you, Lisa, and me become the three old musketeers? Or we could become nuns! Ha! Ha! Seriously now, I really hope you get everything out of life that you want. You deserve only the very best! Remember that! And Take Care of Yourself!! Love Always & Forever,

Jill

Val,

Wow!! I can't believe you guys are done school already. I guess it won't be the same next year without y'all! Oh well, I guess I'll see you around somewhere so it won't be too bad. Anyhow, be sure you don't forget those strange Prob. & Stat. classes we were in. So take care and hopefully I'll see you again soon.

Shawn

Val-
Well we've lived with 4 years of Spanish & 1 of Gym! Lacrosse- forever! Never forget our fun trips w/ our Spanish buds! Have a Good Summer & happy life to follow! Keep in touch!
Love ya,
Mary

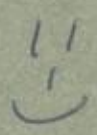
Val,

You are one of the craziest person I know. I wish I would have gotten to know you soon but Oh well, maybe we'll just have to make up for that. You are a really good friend. Without you I might have gone nuts with those computers. Also whenever I would come into class feeling down for some reason you could always make me laugh by telling me ~~them~~ one of your silly little stories. Usually about those little Dover boys whose names I wont mention (Scott and Drew). Or else I would get to know how many days until you would see Gene. Next year is just going to be so boring without having my daily story. This summer we well have to get together and create our own stories. Good luck at college. Try not to destroy it too much cause I have to come there a year later. Take care of yourself and leave those Dover guys alone. You cause them too many heartaches.

Love ya
Beth

Val,

You are just one big "BEAUT"! I'm so glad I had the pleasure of meeting you so early in life because I have had so much fun being a friend of yours! you are such a great friend/pal I don't know what I'd do without you! We've had so many good times. Never forget our Cheerleading days, camp, wrestling matches, dances, Hanover, "GOB", "Egg", the corvette wrestling tournaments, and try to forget "Dover"! I hope we can always be good friends. I'm looking forward to the shore and all the "sights" on the beach! you'll have to clue me in on your secret as to how to get a tan! OK?! You've got a lot going for you so don't change! Your personality shines above the rest and your smile warms everyone's day! Please stay as nice as you are and you'll go far. I just can't write everything that comes into my mind because I'd be writing forever. So, just never forget all the fun times we've had and I hope we have many more! you better keep in touch with me! ya hear?! You'll have to come and stay with me at college! Bet there'll be a lot of Beauts there! Huh?! Well, Please take care of yourself and beware of "Gobs"! They're not good enough for ya! Good luck in the future and in everything you do! Best Wishes +

God Bless!


Love ya,
Teresa
